

## GETTING THE GROUP

For this assignment you are going to be working with another class (group) to capture group portraits. Posing group portraits can be one of the most challenging, but lucrative, activities that professional photographers take on. You will have a number of learning activities on the student portal as well as some sample shoot's to warm-up with and then you will be assigned a group of students to go and shoot.

## ASSIGNMENT

There are three graded portraits for this assignment

- 1) Formal Pose
- 2) Fun Pose #1
- 3) Fun Pose #2

You will also be graded based off of a brief review that will be given to the advisor of the group you shoot.
