

Video Scavenger Hunt

Directions:

You will now have a chance to show off all the wonderful skills you have been learning with a video scavenger hunt. The list below requires the use of at least one of the numerous techniques we have learned the past couple days. In groups (size determined by Mr. Johnson) you will head out and *in this order* get the following video clips. You should film each clip for *at least* 10 seconds.

Link to Information:

You can find all the info you need to complete this lecture on the student portal at:
<http://tinyurl.com/shotsmoves>

Before You Begin:

- Do you have your memory card?
- Did you get a Tri-pod?
- Did you sign all the equipment out?

Shot List:

- 1) A MS of one of your partners
- 2) An XLS of the cafeteria
- 3) A Close up of one of the career cluster signs
- 4) A Medium Shot, Pedestal Up the Vending Machine
- 5) A Two Shot, MS Dolly Back of your group members walking toward you.
- 6) A Full Shot Crab Left of your group members walking
- 7) A KS of your partner utilizing some prop (your choice)
- 8) Any shot using a Pan
- 9) A MS - OTS shot
- 10) A POV, From Above, of working at a desk or lunch table
- 11) A Two Shot, Zolly (any direction), of your partners at a table
- 12) A long (15sec min) Tracking Shot of partners walking
- 13) An Arc Shot (your choice on shot type)
- 14) A shot utilizing Rack Focus

If you took the extra time to read all these instructions as was specified in this assignment then you will also read this which says if you also get an extreme close-up of Mr. Johnson then you will be rewarded five extra credit points. However, this information can not be shared and if you share it with your classmates (and get caught) you will lose five points.
